

Terms and Conditions of Sale

ESS Metron, LLC, a Colorado limited liability company, ("Seller") and the company or individual named on the face of the invoice ("Buyer") agree to these terms and conditions of sale (these "Terms and Conditions"). These Terms and Conditions are incorporated in full into the invoice and are binding on Buyer and Seller with respect to the sale of the Products (as defined in Section 2). The invoice and these Terms and Conditions together are referred to herein as the "Agreement."

1. **NONCONFORMING TERMS.** Seller's performance of the order described in the purchase order is expressly limited to and made conditional upon Buyer's acceptance of these Terms and Conditions and no other terms and conditions, whether the source of such terms and conditions is Buyer's standard terms and conditions, any other document of Buyer, any course of dealing, any course of performance, any trade custom or usage, and/or any other source whatsoever, will be binding on Seller unless agreed to in a written instrument signed by both Buyer and Seller.

2. **TAXES.** Except as otherwise provided on the face of the invoice, the purchase price set forth in the invoice (the "Price") does not include any applicable sales, use, VAT, excise, or other taxes, duties, assessments, charges, or import or export fees (collectively, "Taxes") imposed on the products described on the face of the invoice (the "Products") and/or any related services. Buyer agrees to pay all such Taxes and to indemnify Seller for all taxes, fees, and penalties levied on Seller due to Buyer's failure to pay such Taxes.

3. **SHIPMENT.** Unless otherwise specified by Buyer in writing, the Products shall be delivered FCA (Incoterms 2010) Buyer's facility identified in the purchase order (the "Delivery Point"), and risk of loss for the Products shall pass to Buyer upon delivery at the Delivery Point, it being understood and agreed that the Price is based on such delivery terms. Title to the Products shall pass from Seller to Buyer at the later to occur of (i) delivery of the Products at the Delivery Point and (ii) receipt by Seller of Buyer's payment in full of the Price.

4. **PAYMENT TERMS.** Unless otherwise specified by Seller in writing, the terms of payment shall be 20% of the Price upon Seller's transmittal of the Submittal, 30% of the Price upon Buyer's release to manufacturing and prior to procurement of materials, and 50% of the Price upon shipment of the Products. Seller reserves the right at any time and in its sole discretion to require payment in full in advance or COD or to otherwise modify the payment terms. Past due amounts shall bear interest at the rate of 18% per annum or the highest rate permitted by law, whichever is less. If Buyer is located outside the United States, an irrevocable confirmed letter of credit in favor of Seller for 100% of the Products' value is required before production of the Products will commence. This letter of credit shall be issued by a bank reasonably acceptable to Seller and any expenses associated with the issuance, drawdown, or enforcement of this letter of credit, will be borne by Buyer.

5. **MINIMUM BILLING.** All orders of \$50.00 net or less will be invoiced at the minimum rate (\$50.00 net) with transportation charges added.

6. **DELIVERY; FORCE MAJEURE.** Delivery dates are not guaranteed by Seller and are based on normal expectancies only. In no event shall Seller be deemed in default under this Agreement on account of any delay in the performance of any obligation of Seller if the delay is caused directly or indirectly by one or more forces or events beyond the reasonable control of Seller, including, but not limited to, delay caused directly or indirectly: (i) by action or inaction of Buyer, (ii) by failure of any manufacturer, contractor or supplier to timely provide raw materials, parts, tools, tooling, equipment, services, technical information, data or assistance, transportation or any other material or service reasonably necessary for performance by Seller, (iii) by governmental action or inaction, (iv) by strike or other labor disturbance, (v) by war, armed hostilities, civil unrest, act of terrorism, riot, fire, breakage of equipment, explosion, flood, earthquake, or any Act of God, or (vi) by epidemic or pandemic (including the COVID-19 pandemic) or any related government order.

7. **CANCELLATION AND CHANGE.** Orders are subject to cancellation, partial cancellation, or change only with the written consent of Seller and only upon such terms as Seller may impose. Should Buyer terminate, cancel, or stop its order, in whole or in part, without Seller's consent, such termination, cancellation, or stoppage shall constitute a breach of this Agreement by Buyer, for which Seller shall be entitled to all damages of Seller related to such breach, including, without limitation, the amount of Seller's cancellation costs and damages, including expenditures on materials, labor, overhead, and payments to subcontractors, direct costs incurred by Seller in settling claims with subcontractors or suppliers, reasonable profits on the work performed including work in process on the terminated portion of the order prior to Seller's receipt of Buyer's termination, cancellation, or stoppage notice, which amount shall be calculated at not less than Seller's profit margin on the entire project multiplied by the cost of the total work performed prior to Seller's receipt of Buyer's termination. Prices are set on the basis of the total quantity ordered, even though shipment may be in stages. Cancellation of a portion of an order after an earlier portion has been shipped and invoiced will result in an adjustment to the Price and an additional charge to Buyer.

8. **LIMITED WARRANTY.** Seller's Limited Warranty (as defined in this Section 8) is valid only when Installation, Acceptance Testing, Start-up, Commissioning and Training have been performed by a Qualified and Competent Service Company approved by Seller.
